

THE SISKIYOU MOTORCYCLE ASSOCIATION and all SMA members would like to thank the following individuals, merchants, and friends of the SMA for their generous donations, volunteer labor, and selfless contributions to the incredible success of the 2007 SMA Annual Christmas Benefit Fundraiser Event. In addition, we would like to thank everyone that attended the Event and supported our ability to help the less fortunate children, elders, and other citizens in distress within Siskiyou County. This year, with everyone's support, we were able to purchase and distribute Christmas toys to over 350 local children and help them have a Merry Christmas. Remaining funds will be used to support various other local child-related charities and to help individuals in distress throughout the coming year.

The Siskiyou Motorcycle Association is a 501(c) 3 for public benefit charitable corporation. EIN 68-0422217.
